DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on January 20, 2006 has been entered.
2. Claims 5 and 15 are pending in the present application.
3. Claim 5 has been amended.

Allowable Subject Matter

4. Claims 5 and 15 are allowed.
5. The following is an examiner's statement of reasons for allowance:

Applicant's amendment and response filed January 20, 2006 overcomes the rejection cited under 35 USC 112. In the previous correspondence claim 15 was noted as allowable. Regarding independent claim 5, the prior art of record fails to teach a data processing environment having a user terminal with a user-id for generating a service request for access to a data table responsively coupled to a data base management

system having a data base containing a first data table and a second data table comprising a security profile corresponding to a user-id whereby said data base management system permits and denies access to a first data table and second data table through various user terminals (i.e. first, second and third user terminals) as cited in the claim. Regarding claim 15, the prior art of record fails to teach, wherein said honoring step further comprises executing a command language script corresponding to said service request; wherein said comparing step further comprises accessing said security profile corresponding to said one of said plurality of data tables stored in association with said command language script.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
